## P ERRIN & ROWE

The UK's largest independent kitchen and bathroom brassware manufacturer, Perrin & Rowe, heighten its already formidable product portfolio of British-made brassware with a collection of extra special finishes sure to answer the latest trend for metallic interiors. Consisting of a range of luxurious, metallic warm-tones, each high-quality finish brings a touch of class, sophistication and character to any kitchen or bathroom. ## D ESIGN SPACE LONDON

This kitchen by Design Space London was commissioned by a passionate art collector and designed to be as much a gallery space as a place for cooking and eating. Ultra slim, matt black granite tops enhance the rectilinear feel of this kitchen, where every aspect of line and volume has been minutely considered in the creation of a magnificent setting for art and lifestyle alike.
