

# All in the DETAIL

*A minimalist, contemporary kitchen is brought to life with a few subtle touches*

## SITTING PRETTY

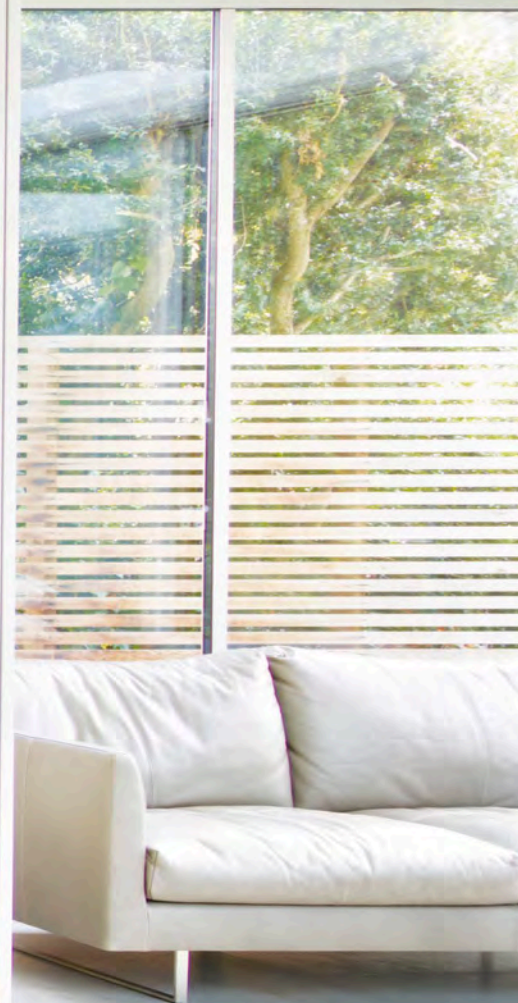

In a modern family home, multiple dining options suit different occasions: there's a breakfast bar for a quick bite, or an elegant wooden dining table for family meals

**MIRROR  
SHINE**

Lacquered beige cupboards provide an element of luxury, while a pared-back design keeps the look modern and fresh

# Citrus FRESH

*Zesty orange accents make an impact in a stylish and contemporary space*

## PALETTE PERFECTION

A modern selection of hues, from rich walnut to bright orange, come together for a cohesive and original design

**DUAL  
FUNCTION**

Sliding doors allow the second sink to be hidden from view if desired, or can be left open on busier days when the extra feature is needed
